WATER/OIL RESISTANCE GOATSKIN LEATHER GLOVES WITH IMPACT AND CUT PROTECTION

DESCRIPTION:

IMPACTPRO Gloves lined with Kevlar® aramid fabric Anti-Impact Gloves. Premium Quality Water and Oil Resistance Goatskin leather Welding style gloves, lined with Kevlar® aramid fabric, Cut level ANSI A5, TPRS back of hand for Impact Protection.

FEATURES:

Premium Goatskin Leather: Provides high-tensile strength and abrasion resistance while maintaining flexibility.

Kevlar® Aramid Lining: Cut level A5-rated cut protection safeguards against sharp edges, punctures, and abrasions.

TPR Back-of-Hand Impact Protection: Soft yet durable reinforcements absorb impact forces while allowing full hand movement.

Water & Oil Resistance: Specially treated goatskin leather repels liquids, ensuring a secure grip in slippery conditions.

Extended Gauntlet Cuff: Offers additional wrist and forearm protection in hazardous environments.

Wing Thumb Construction: Enhances comfort and durability for prolonged use.

Multi-Industry Use: Designed for professionals in high-impact and hazardous work environments.

APPLICATIONS:

Steel foundry and forge, Sheet metal, Manufacturing, Oil and Gas, Mining, Railroads, Forklift Driver
