AVAILABLE SIZES

RUGGED PROTECTION OIL, GAS, MINING AND RESCUE OPERATIONS

DESCRIPTION:

RIG MASTER 3 impact gloves are engineered with a 3-layer palm construction featuring Armortex® high-abrasion material and Kevlar® aramid cut-resistant ANSI A5 protection. The TPR design provides superior impact protection for the knuckles, thumb, and fingers. Enhanced with a durable grip system on the palm and fingers, these gloves also feature a Kevlar®-stitched liner for added strength and extended neoprene cuff.

FEATURES:

- **3-Layer Palm Construction with Armortex®** - Delivers extreme abrasion resistance and long-lasting durability in high-wear zones.
- **Kevlar® Aramid Lining – ANSI Cut Level A5**- Provides reliable protection against sharp edges, metal, and rugged materials.
- **TPR Impact Protection**- Shields knuckles, thumbs, and fingers from crush injuries and vibration.
- **Kevlar®-Stitched Liner**- Reinforces glove structure for added strength and extended service life.
- **Durable Grip System on Palm & Fingers**- Enhances control and handling in oily, wet, or dry conditions.
- **Extended Neoprene Cuff**- Offers wrist protection and a secure, adjustable fit with easy Velcro closure.
- **Ergonomic Multi-Layer Design**- Balances flexibility, comfort, and rugged protection for demanding tasks.
- **Built for Harsh Environments**- Ideal for oilfields, mining, rescue operations, and heavy-duty industrial work

APPLICATIONS:

Steel Plants, Industrial, Appliance Manufacturing, Oil and Gas Industry, Construction, Forklift Driver, Farm Equipment
