AVAILABLE SIZES

TOUCH SCREEN SYNTHETIC LEATHER MECHANIC/ UTILITY GLOVES

DESCRIPTION:

Premium Synthetic Leather Palm, Breathable Spandex Back & Sweat Wipe enhances airflow while the terry cloth thumb wipe keeps hands dry & focused, Double-Stitched Seams boosts strength and extends the lifespan of the gloves, Touchscreen-Compatible Synthetic leather Palm enables seamless use of touch devices without removing gloves, Elastic Wrist provides a secure, adjustable fit for maximum comfort.

FEATURES:

Touchscreen-Compatible Synthetic Suede Palm - Allows seamless use of touch devices without removing gloves.

Breathable 4-Way Stretch Polyester Back - Enhances flexibility, comfort, and airflow for prolonged use.

Reinforced Thumb Saddle & Index Finger - Provides extra durability in high-wear areas.

Terry Cloth Sweat Wipe on Back of Thumb - Convenient for wiping sweat without removing gloves.

Double-Stitched Seams - Enhances strength and extends the life of the glove.

Elastic Wrist with Hook & Loop Closure - Ensures a secure and adjustable fit.

Silicone-Grip Print on Palm - Enhances grip for handling tools, equipment, and materials.

Padded Knuckle Protection - Provides impact resistance without compromising flexibility.

Lightweight and Ergonomic Fit - Reduces hand fatigue for extended wear.

APPLICATIONS:

General construction, Automotive, Maintenance and repair work, Warehouse and logistics, Landscaping and gardening, DIY projects, and Material handling
