CUT & IMPACT RESISTANT RIGGER GLOVES WITH SUPERIOR GRIP

DESCRIPTION:

Silicone-coated synthetic leather palm with grain leather reinforcement provides ultimate grip on wet and oily surfaces in the rig and field. The palm is lined with Kevlar® aramid for A5 cut resistance. A breathable spandex fabric back with TPR offers Level 2 impact protection. Reinforced palm, thumb, and index finger enhance grip and durability, while a round elastic wrist ensures a snug fit.

FEATURES:

- **Silicone-Coated Synthetic Leather Palm**- Delivers superior grip on wet, oily, and slick surfaces in field conditions.
- **Grain Leather Reinforcement**- Enhances durability and abrasion resistance in high-wear zones.
- **Kevlar® Aramid Lining** – ANSI Cut Level A5 Provides reliable protection against sharp edges, wire, and metal.
- **TPR Impact Protection** – Level 2- Shields knuckles, fingers, and thumb from crush injuries and vibration.
- **Breathable Spandex Back**- Promotes airflow for comfort during long shifts in rugged environments.
- **Reinforced Palm, Thumb & Index Finger**- Strengthens grip and control for tool handling and rigging operations.
- **Round Elastic Wrist with Snug Fit**- Ensures secure wear and prevents debris intrusion.
- **Multi-Layer Ergonomic Design**- Balances flexibility, protection, and comfort for demanding tasks

APPLICATIONS:

Rigging, Oil & Gas Drilling, Extraction & Refining, Fracking, Tool Pushing, Mining, Demolition, Heavy Construction
