GOAT LEATHER GLOVES FOR GRIP, COMFORT & DEXTERITY

DESCRIPTION:

XPRO® -1028G gloves offer durability, flexibility & breathability with grain goat leather, red rib fabric & ergonomic design.

FEATURES:

Durable Grain Goat Leather: Provides superior strength, flexibility, and comfort for long-lasting performance.

Smooth Texture for Grip: Enhances handling precision, ensuring a secure and reliable grip.

Breathable Red Rib Interlock Fabric: Lightweight and stretchable for maximum comfort and ease of movement.

Elastic Cuff with Velcro Fastening: Ensures a snug fit while keeping out debris for a clean and protected experience.

Ergonomic Thumb Placement: Designed for increased dexterity, providing better control for precision work.

Abrasion Resistance: Shields hands from rough surfaces, ensuring durability in demanding environments.

Multi-Industry Use: Suitable for various hazardous work environments without compromising dexterity.

APPLICATIONS:

Industrial Assembly & Manufacturing , Construction & Infrastructure Work, Metalworking & Fabrication, Oil & Gas Operations, Automotive & Mechanical Work, Electrical & Utilities Maintenance
