AVAILABLE SIZES

High Impact & Cut-Resistant Welding Gloves A6 Protection & Extended Gauntlet Cuff

FEATURES:

- **High-Tensile Strength Goatskin Leather** – Provides exceptional abrasion resistance and durability.
- **Kevlar® Aramid Fabric Lining** – Ensures **A6 cut protection**, safeguarding hands against sharp materials.
- **TPR Backhand Protection (Level 3)** – Shields fingers and knuckles from high-impact forces.
- **Kevlar® Thread Stitching** – Reinforced seams for superior longevity and resistance to wear.
- **Extended Gauntlet Cuff** – Increases coverage and wrist protection for hazardous tasks.
- **Multiple Leather Options Available** – Goatskin, Cowhide, and Cowhide Split Leather for customization.
- **Lining Variants for Enhanced Protection** – Includes Kevlar®, Para-Aramid, Fleece, and Thinsulate options.

INDUSTRIES:

- **Oil & Gas Exploration** – Essential for rig operators, pipeline workers, and industrial field professionals.
- **Steel & Metal Processing** – Shields against abrasions, heat exposure, and cutting risks.
- **Manufacturing & Heavy Industry** – Ensures worker safety in factory and industrial settings.
- **Mining & Excavation** – Provides rugged protection against extreme impact and sharp surfaces.
- **Construction & Infrastructure Development** – Designed for heavy-duty labor and hazardous environments.
- **Welding & TIG Applications** – Protects against heat, sparks, and precision handling risks.

APPLICATIONS:

- **Oil & Gas Industry** – Protects workers from impact, abrasion, and harsh environmental conditions.
- **Appliance Manufacturing** – Offers grip and durability for assembling and handling industrial components.
- **Steel Plants & Metal Fabrication** – Safeguards hands from sharp edges, heat, and welding hazards.
- **Industrial Processing** – Ensures protection in heavy-duty operations and equipment handling.
- **Construction & Engineering** – Shields hands from impact, abrasions, and high-risk environments.
- **Forklift Driving & Farm Equipment Handling** – Provides comfort and security for material transport operations.

Safety for every industry.
