AVAILABLE SIZES

Water & Oil-Proof Anti-Impact & Cut-Resistant Gloves - A6 Protection & Winter Insulation

FEATURES:

- **Premium Quality Goatskin Leather** – Offers superior durability, flexibility, and abrasion resistance.
- **A6 Cut Protection & Puncture Level 4** – Ensures maximum hand safety against sharp objects.
- **Impact Level 2 Rating** – Shields hands from high-impact tasks in industrial applications.
- **3M C200 Thinsulate™ Lining (-35°C Rated)** – Provides extreme cold-weather protection.
- **Fleece Layer for Extra Winter Insulation** – Retains warmth for extended outdoor operations.
- **Padded Palm for Vibration Dampening** – Reduces strain and fatigue during prolonged use.
- **DryTuff Lining for 100% Waterproofing** – Ensures hand dryness in wet and oily environments.

INDUSTRIES:

- **Oil & Gas Exploration & Refinement** – Essential for rig operators and technicians working in extreme conditions.
- **Heavy Industrial & Manufacturing** – Provides durability and chemical resistance for engineers and field workers.
- **Mining & Raw Material Processing** – Shields workers from abrasive surfaces and deep excavation risks.
- **Marine & Offshore Work** – Ensures hand protection against water, oil, and environmental hazards.
- **Construction & Infrastructure Development** – Supports laborers handling machinery and materials.
- **Utilities & Cold Storage Operations** – Protects hands in freezing work environments.

APPLICATIONS:

- **Oil & Gas Industry Operations** – Shields against abrasions, punctures, and extreme weather.
- **Heavy Construction & Infrastructure Work** – Provides impact and cut protection for site workers.
- **Mining & Extraction** – Ensures safety while handling rough and hazardous materials.
- **Industrial Maintenance & Repair** – Protects against chemical spills, heavy machinery hazards, and extreme temperatures.
- **Marine & Offshore Platforms** – Shields workers from water exposure, impact, and grip loss.
- **Cold Storage & Utility Work** – Maintains warmth and flexibility in subzero environments.
