AVAILABLE SIZES

High Impact & Cut-Resistant Gloves - Cut level A6 Protection & Durable Goatskin Leather

FEATURES:

- **Premium Goatskin Leather Construction** – Offers superior durability, flexibility, and abrasion resistance.
- **Kevlar® Aramid & Composite Filament Lining** – Provides cut resistance and long-lasting protection.
- **Impact Protection with TPR Backhand** – Absorbs shock and minimizes injury risks.
- **Kevlar® Thread Stitching** – Enhances durability and longevity in extreme work conditions.
- **Reinforced Palm & Finger Patch** – Improves grip strength and wear resistance.
- **Available in Multiple Cut Levels** – Tailored for different levels of industrial safety.
- **Extended Lining Options** – Includes Kevlar®, Para-Aramid, Fleece, and Thinsulate™ for varied protection needs.

INDUSTRIES:

- **Oil & Gas Exploration & Refinement** – Designed for rig operators and technicians.
- **Manufacturing & Industrial Processing** – Provides protection for handling machinery and sharp materials.
- **Mining & Heavy Machinery Work** – Shields workers from abrasions and impact hazards.
- **Construction & Engineering** – Supports workers managing tools and equipment.
- **Agriculture & Farm Equipment Industry** – Protects hands while working with heavy machinery.
- **Steel & Fabrication Industry** – Provides maximum protection for handling metal components.

APPLICATIONS:

- **Oil & Gas Industry** – Protects against abrasion, impact, and sharp materials.
- **Appliance & Industrial Manufacturing** – Provides secure handling and durability.
- **Steel Plants & Foundries** – Shields hands from rough surfaces and metalwork hazards.
- **Construction & Infrastructure** – Ensures worker safety during heavy-duty tasks.
- **Forklift & Equipment Handling** – Enhances grip control and vibration dampening.
- **Farm Equipment & Agriculture** – Shields hands during outdoor labor and machinery use.
