**Alif-1709
Electroline**

AVAILABLE SIZES

Electroline Electrical Glove Leather Protector - Enhanced Safety & Durability

FEATURES:

- **Premium Grain Leather Construction** – Provides robust protection against punctures, abrasion, and mechanical wear.
- **Designed as Over-Glove Protection** – Worn over rubber insulating gloves to safeguard against physical damage.
- **Flexible Driver-Style Fit** – Ensures maximum dexterity and ease of movement during high-risk tasks.
- **Reinforced Thumb Crotch & Palm** – Improves durability in high-wear zones for extended glove life.
- **Adjustable Strap or Gauntlet Cuff (Variant Dependent)** – Enhances wrist protection and fit security.
- **Water & Oil-Resistant Leather (Optional)** – Offers additional grip and cleanliness in field conditions.
- **Compatible with Class 00–4 Rubber Gloves** – Built to match common electrical safety glove standards.

INDUSTRIES:

- **Electrical & Utility Work** – Providing extra protection for insulated gloves.
- **Power Distribution & Transmission** – Enhancing worker safety during high-voltage tasks.
- **Manufacturing & Industrial Work** – Offering reinforced safety for electricians.
- **Construction & Infrastructure** – Supporting electrical workers in hazardous environments.
- **Automotive & Mechanical Maintenance** – Protecting technicians handling electrical components.
- **Renewable Energy & Solar Industry** – Ensuring safety for professionals working with high-voltage systems.

APPLICATIONS:

- **Live-Line Electrical Work** – Protects rubber gloves from cuts, abrasions, and punctures.
- **Utility Pole & Substation Maintenance** – Ensures glove longevity during rugged field use.
- **Overhead Line Servicing** – Maintains grip and glove integrity in elevated conditions.
- **Switchgear & Circuit Maintenance** – Shields hands while handling energized components.
- **Underground Cable Installation & Repair** – Defends against sharp tools and cable edges.
- **Transformer Servicing & Panel Work** – Supports safety when working in confined, energized spaces.
