AVAILABLE SIZES

Winter Gloves - Premium Goatskin, Thinsulate™ Lining & Superior Cold-Weather Protection

FEATURES:

- **Premium Goatskin Leather Construction** – Offers high tensile strength and abrasion resistance, ensuring durability in tough environments.
- **Keystone Thumb Design** – Provides extra durability and improves dexterity for precision handling.
- **Elastic Back for Snug Fit** – Ensures a secure fit, allowing flexibility and comfort during extended wear.
- **Thinsulate™ Lining for Winter Protection** – Keeps hands warm and insulated in cold conditions.
- **Multiple Leather Options Available** – Includes Goatskin, Cowhide, Split Leather, and Sheepskin for tailored needs.
- **Multi-Layer Lining Choices** – Available in Thinsulate (TH), Fleece (FL), Artificial Fur (AF), and Kevlar® (Cut-Resistant C).
- **Designed for Heavy-Duty & Cold Weather Applications** – Ideal for outdoor and industrial environments requiring durability and warmth.

INDUSTRIES:

- **Industrial Maintenance & Manufacturing** – Essential for workers handling tools, machinery, and raw materials.
- **Welding & Fabrication** – Shields against abrasions, heat, and mechanical hazards.
- **Construction & Heavy-Duty Infrastructure** – Ensures protection for professionals in physically demanding tasks.
- **Agriculture & Farming** – Supports workers in livestock, crop handling, and outdoor environments.
- **Mining & Extraction** – Provides rugged hand protection for handling equipment and rough surfaces.
- **Utilities & Material Handling** – Enhances grip and resistance in oil, water, and harsh conditions.

APPLICATIONS:

- **General Maintenance & Handling** – Ensures grip, comfort, and protection for everyday tasks.
- **Welding & Industrial Works** – Provides heat and abrasion resistance in high-risk environments.
- **Steel Plants & Manufacturing** – Protects hands from sharp materials, impact, and extreme conditions.
- **Construction & Engineering** – Offers enhanced durability for material handling and assembly work.
- **Agriculture & Farming** – Shields hands from abrasions, chemicals, and cold conditions.
- **Mining Operations** – Designed for heavy-duty labor in extreme environments.
