**ALIF
DRIVER 2**

AVAILABLE SIZES

GOATSKIN DRIVER GLOVE WITH WING THUMB

DESCRIPTION:

Goatskin is often referred to as nature's strongest leather. It has very high tensile-strength and abrasion-resistant properties, and excellent softness and is lightweight. Because of this high strength-to-weight ratio, our ALIF goatskin all-leather drivers are much tougher and more durable than their suppleness leads you to think. Wing thumb for extra durability.

Also available in Cowgrain/Sheepskin/Cowsplit
Also available in winter version.

FEATURES:

- **Premium Goatskin Leather Construction**- Known for its high tensile strength and abrasion resistance, yet soft and lightweight for all-day comfort.
- **Wing Thumb Design**- Enhances durability and flexibility in high-motion tasks like gripping and lifting.
- **High Strength-to-Weight Ratio**- Offers rugged protection without compromising dexterity or comfort.
- **All-Leather Build for Long-Term Use**- Resists wear and tear in demanding environments while maintaining a supple feel.
- **Available in Cowgrain, Sheepskin, and Cowsplit Variants**- Customizable leather options to suit different durability and comfort preferences.
- **Optional Winter Version**- Insulated for cold-weather handling in outdoor or refrigerated settings.
- **Classic Driver Style**- Ideal for general-purpose work with a clean, professional appearance.

APPLICATIONS:

General handling, Warehousing, Agricultural, Cargo handling
