ALIF
DRIVER 1

AVAILABLE SIZES

GOATSKIN DRIVER GLOVE WITH KEYSTONE THUMB

DESCRIPTION:

Goatskin is often referred to as nature's strongest leather. It has very high tensile-strength and abrasion-resistant properties, and excellent softness and is lightweight. Because of this high strength-to-weight ratio, our ALIF goatskin all-leather drivers are much tougher and more durable than their suppleness leads you to think. Keystone thumb for extra durability.

Also available in Cowgrain/Sheepskin/Cowsplit
Also available in winter version.

FEATURES:

- **Premium Goatskin Leather** – Known for its high tensile strength and abrasion resistance, offering durability and comfort.
- **Lightweight & Supple Texture** – Provides excellent dexterity and flexibility for precision handling.
- **High Strength-to-Weight Ratio** – Ensures toughness while maintaining a soft, comfortable feel.
- **Keystone Thumb Design** – Enhances durability, grip, and freedom of movement.
- **Ergonomic Fit for Superior Comfort** – Designed for extended wear without compromising flexibility.
- **All-Leather Construction** – Delivers reliable protection in industrial applications.
- **Long-Lasting Performance** – Maintains strength and quality even in rigorous working conditions.

APPLICATIONS:

General handling, Warehousing, Agricultural, Cargo handling

Alif International
