AVAILABLE SIZES

XPRO GOATSKIN TIG WELDER GLOVE

DESCRIPTION:

Xpro Goatskin Tig Welder

Goatskin is incredibly durable and tough, while still maintaining the highest tensile strength

Our supple goatskin leather makes for an excellent choice in TIG welding gloves for the best mobility possible

Wide fitting Canadian-style gauntlet cuff

Goatskin is nature's strongest leather

FEATURES:

Premium Goatskin Leather – Known for its high tensile strength, offering durability and flexibility.

Supple Leather for Maximum Mobility – Enables precision handling in TIG welding applications.

Wide-Fitting Canadian-Style Gauntlet Cuff – Provides extended wrist protection while allowing ease of movement.

Superior Abrasion & Heat Resistance – Shields hands from sparks, heat, and rough materials.

Comfortable & Form-Fitting Design – Ensures snug fit without compromising dexterity.

Reinforced Seams for Longevity – Increases wear resistance for prolonged use.

Ergonomic Construction for Welding Professionals – Enhances performance in high-precision tasks.

APPLICATIONS:

Fine MIG & TIG Welding, Power Plants, Stainless Steel Welding, Industrial Metal Fabrication

Alif International
Plot No. 417, Sector 7/A, K.I.A., Karachi, Pakistan
