AVAILABLE SIZES

XPRO® DRX-PREMIUM FLEXIBLE AND DURABLE COW GRAIN LEATHER GLOVES

DESCRIPTION:

Premium grade thick and rugged cow grain leather. Soft and comfortable, oil and water repellent. Keystone thumb design for improved dexterity and comfort. Flawless workmanship. Palm patch reinforcement for greater protection, better grip, and wear resistance. Elasticated wrist for secure fit. Helps keep debris out of the glove.

FEATURES:

- Premium Grade Cow Grain Leather** – Thick, rugged, and durable for heavy-duty applications.
- Oil & Water Repellent Finish** – Enhances longevity and grip performance in demanding conditions.
- Keystone Thumb Design** – Provides superior flexibility and dexterity for precise handling.
- Flawless Workmanship** – Engineered with premium craftsmanship for extended durability.
- Palm Patch Reinforcement** – Adds extra protection, grip, and resistance to wear and tear.
- Elasticated Wrist for Secure Fit** – Prevents debris entry while ensuring a snug fit.
- Versatile Heavy-Duty Use** – Designed for industrial, construction, and general work applications.

APPLICATIONS:

Heavy Duty Work, Wood Working, Engineering, Construction, Garden, Welding, General Working, Farm
