

HITCH HI VIZ

AVAILABLE SIZES

Impact, Cut, Chemical and Oil Resistance Gloves

FEATURES:

- **Long-Length PVC Coated Gauntlet** – Provides extended wrist and forearm protection against harsh environments.
- **Rough-Finish Palm for Superior Grip** – Ensures excellent control in wet, dry, and oily conditions.
- **Nylon Composite Liner** – Offers flexibility and comfort while maintaining durability.
- **A4 Cut Resistance** – Shields hands from sharp objects and hazardous materials.
- **Impact Resistance (Level 2)** – Protects fingers and back of hand from forceful impacts.
- **Chemical & Oil Resistance** – Guards against industrial solvents, chemicals, and hazardous liquids.
- **Hi-Viz Design for Safety** – Enhances visibility in low-light or high-risk environments.

INDUSTRIES:

- **Oil & Gas Industry** – Essential for rig workers, drillers, and refinery personnel.
- **Chemical & Petrochemical Industry** – Provides chemical resistance for laboratory and factory work.
- **Agriculture & Food Processing** – Supports farmers, growers, and industry professionals.
- **Construction & Engineering** – Shields hands from cuts, abrasions, and chemical exposure.
- **Utilities & Maintenance Services** – Ensures hand protection for plumbing, waste management, and repairs.
- **Industrial Cleaning & Waste Disposal** – Improves safety and grip in hazardous cleaning applications.

APPLICATIONS:

- **Chemical Handling & Processing** – Shields hands from corrosive and hazardous substances.
- **Industrial Plumbing Repairs** – Provides grip and protection in wet and chemical-heavy environments.
- **Agriculture & Farming Work** – Ensures durability for handling fertilizers, chemicals, and materials.
- **Cleaning & Waste Management** – Safeguards against chemical exposure and contaminated surfaces.
- **Oil Rig Operations** – Shields workers from abrasive and impact hazards in drilling environments.
- **Impact/Cut/Chemical Resistance Applications** – Designed for multi-industry professionals exposed to hazards.
