XPRO® CUT RESISTANT NECK GUARD COMPRESSION SHIRT, ICE HOCKEY SHIRT

DESCRIPTION:

XPRO® Cut Resistant Neck Guard Compression Shirt, specifically designed for ice hockey players who demand both protection and performance.

This innovative garment features a Kevlar lining that provides unparalleled neck protection against the sharp edges of hockey skates, reducing the risk of injury. Additionally, the XPRO® Cut Resistant T-Shirt is designed to keep you warm and comfortable throughout the game, ensuring you stay focused and perform at your best.

FEATURES:

Cut-Resistant Kevlar® Neck Guard – Provides exceptional protection against sharp skate blades.

Compression Fit for Enhanced Mobility – Supports muscle performance and reduces fatigue.

Breathable & Moisture-Wicking Fabric – Keeps players dry and comfortable during gameplay.

Thermal Insulation for Cold Environments – Maintains warmth without restricting movement.

Ergonomic & Lightweight Design – Ensures flexibility and comfort during intense matches.

Durable Stitching for Long-Lasting Use – Reinforced seams improve wear resistance.

Optimized for Professional & Amateur Players – Suitable for all skill levels, maximizing safety and comfort.

APPLICATIONS:

Ice Hockey, Sports Training, Cold-Weather Outdoor Activities
