AVAILABLE SIZES

Anti-Vibration, Impact & Cut-Resistant Gloves - Cut level A5 Protection & Gel-Padded Comfort

FEATURES:

- **Padded Palm for Vibration Dampening** – Reduces strain and fatigue during prolonged tool use.
- **TPR Anti-Impact Backing** – Protects hands and fingers against impact hazards while maintaining flexibility.
- **Kevlar® Aramid Fabric Lining** – Enhances cut resistance, meeting cut level A5 protection standards.
- **Premium Goatskin Leather** – Provides high tensile strength, superior abrasion resistance, and lasting durability.
- **Ultra-Comfortable Gel Padding** – Absorbs shock for maximum hand protection and comfort.
- **Available in Higher Cut Levels (A5-A9)** – Ensures advanced safety for handling sharp and heavy materials.
- **Versatile Leather & Lining Options** – Customizable with Goatskin, Cowhide, Cowhide Split Leather, and Kevlar®, Para-Aramid, Fleece, Thinsulate Linings.

INDUSTRIES:

- **Oil & Gas Operations** – Essential for workers dealing with high-risk environments.
- **Steel & Metal Fabrication** – Offers reinforced hand protection against impact and sharp materials.
- **Manufacturing & Industrial Processing** – Ensures safety and precision in assembly and production.
- **Construction & Engineering** – Shields workers from abrasions, cuts, and vibration hazards.
- **Logistics & Warehousing** – Improves grip and reduces fatigue for material handling professionals.
- **Utilities & Maintenance Services** – Provides reliability for technicians working in demanding conditions.

APPLICATIONS:

- **Oil & Gas Industry** – Protects workers handling heavy machinery and equipment in hazardous environments.
- **Manufacturing** – Shields hands from cuts, abrasions, and vibration-related injuries.
- **Steel Plants** – Ensures high-impact and cut-resistant protection for metal processing tasks.
- **Industrial Work** – Enhances grip and durability for maintenance and operational tasks.
- **Construction** – Provides robust hand safety for building, welding, and assembly work.
- **Forklift Operation** – Reduces vibration stress for material handling professionals.
