XPRO® ANTI IMPACT, ANTI CUT & WATER/OIL RESISTANT GLOVES

DESCRIPTION:

Impactpro XPRO® Gloves 5THRVC6

Anti-Impact, Anti Cut & Water/Oil Proof Gloves, lined with Kevlar® aramid fabric for cut protection level ANSI A6 and Puncture level 4, TPR back of hand for Impact Protection level 2

Premium Quality Goatskin Leather Driver Style gloves have high tensile strength and abrasion-resistant properties and are often referred to as nature's strongest leather. Thanks to the innovative design, this driver's-style, brown goat-grain leather glove hides dirt. The back of hand and fingers feature impact protection that's comfortably flexible and supremely durable, Palms are full goatskin leather with reinforcement patch for added durability. The gloves are also 100% Water & Oilproof thanks to our DryTuff® Liner which allows for long lasting & extremely dry hands no matter the wet working conditions

FEATURES:

Premium Water & Oil-Resistant Goatskin Leather – Delivers superior durability and flexibility in challenging industrial conditions.

Kevlar® Aramid Fabric Lining – Provides cut resistance and internal protection while maintaining breathability and comfort.

DryTuff® Waterproof Membrane – Ensures 100% hand dryness in wet, oily, or greasy environments.

TPR Back-of-Hand Protection – Shields knuckles and fingers against impact without restricting movement.

Keystone Thumb Design – Increases dexterity and control, especially in gripping tools and equipment.

Velcro Wrist Closure – Offers a snug, secure fit for active, all-day use.

Driver-Style Construction – Designed for long-lasting wear in high-movement, heavy-duty applications.

APPLICATIONS:

Steel foundry and forge, Oil & Gas, Sheet metal, Manufacturing, Forklift Driver, Mining, Railroads, Welding
