CUT RESISTANT GOATSKIN GLOVES - WATER & OIL RESISTANT, KEVLAR® LINED, DRIVER STYLE COMFORT

DESCRIPTION:

Premium Water and Oil resistance Tan Brown Goatskin Leather Driver Style glove lined with Kevlar® aramid fabric, Cut level ANSI A4 keystone thumb for greater comfort and elasticized backs for snug fit.

Also available in higher Cut levels A2-A9.
Also available in winter version.

FEATURES:

Premium Tan Brown Goatskin Leather – Offers excellent abrasion resistance and long-wear durability with superior softness.
Water- & Oil-Resistant Finish – Ensures dry, clean hands while working in fluid-exposed environments.
Kevlar® Aramid Fabric Lining – Provides cut protection and internal strength for industrial safety.
EN Cut Level 4 Performance – Shields against sharp materials and repetitive handling tasks.
Driver Style Fit with Keystone Thumb – Enhances hand flexibility and ergonomic comfort during use.
Elasticized Back – Delivers a snug, contoured fit that stays secure throughout the workday.
Available in Multiple Leathers & Linings – Includes Cowhide, Goatskin, and Split Leather options with Fleece, Para-Aramid, or Thinsulate insulation.

APPLICATIONS:

Oil and Gas Industry, Manufacturing, Appliance Manufacturing, Steels Plants, Industrial, Construction, Forklift Driver, Farm Equipments
