XPRO® IMPACT AND CUT RESISTANT GLOVE

DESCRIPTION:

Premium Goatskin leather has high strength and abrasion-resistant and referred to as natural strongest leather, this welding styles goatskin leather glove is fully lined with a Kevlar® aramid fabric cut level ANSI A6 protection. The back of hand and fingers feature impact protection level 2 that's comfortably flexible and supremely durable. Extended gauntlet cuff with hi-viz striping for more protection and visibility

FEATURES:

A6 Cut Protection – Kevlar® aramid fabric lining ensures superior cut resistance against sharp materials.

Impact Resistance (Level 2) – TPR backhand protection absorbs impact while maintaining flexibility.

Premium Goatskin Leather – Provides high tensile strength, abrasion resistance, and long-lasting durability.

Kevlar® Thread Stitching – Reinforced seams for maximum strength and wear resistance.

Extended Gauntlet Cuff with Hi-Viz Striping – Offers added wrist protection and enhanced visibility in low-light conditions.

Wing Thumb with Reinforcement – Improves grip, comfort, and dexterity during extended use.

Available in Multiple Versions – Includes winter version (3TTNLC6), keystone thumb variation, and higher cut levels (A2-A9).

APPLICATIONS:

Oil & Gas Industry, Appliance Manufacturing, Steel Plants, Industrial Work, Construction, Farm Equipment Handling, Welding

Alif International
Plot No. 417, Sector 7/A, K.I.A., Karachi, Pakistan
