#### AVAILABLE SIZES

#### OIL & GAS, A7 CUT RESISTANT GLOVE WITH IMPACT PROTECTION

### DESCRIPTION:

DryTuff® Premium Goatskin leather has high strength and abrasion-resistant and referred to as natural strongest leather, this driver styles goatskin leather glove is fully lined with a Kevlar® aramid fabric cut level ANSI A6 protection. The back of hand and fingers feature impact protection level 2 that's comfortably flexible and supremely durable.

### FEATURES:

**Durable Outer Shell:** Constructed with DryTuff® oil and water-resistant full-grain goatskin leather, ensuring excellent flexibility, durability, and long-lasting protection even in oily or wet conditions.

**Thermal Insulation:** Features 3M™ Thinsulate™ C100 lining combined with an extra layer of soft fleece for superior warmth in cold working environments.

**High-Cut Resistance Liner:** Reinforced interior made from a blend of para-aramid, steel, and polyester fibers, offering exceptional cut and abrasion resistance.

**Ergonomic Fit:** Drivers-style glove with an inset thumb design provides enhanced dexterity and comfort during extended use.

**Impact 2 Protection:** Equipped with heavy-duty, flame-resistant TPR (thermoplastic rubber) on the back of hand, fingers, and wrist to absorb shocks and protect against impact injuries.

**Flame-Resistant Stitching:** Entire glove is stitched with Kevlar® thread, adding superior strength and resistance to heat and flame.

**Secure Fit:** Snug shirred elastic wrist ensures a comfortable, secure fit and helps keep out debris and cold air.

**Convenient Cuff Style:** Slip-on style cuff allows quick donning and removal without compromising wrist coverage.

### APPLICATIONS:

Oil and Gas Industry, Appliance Manufacturing, Steel Plants, Industrial Construction, Farm Equipment, Welding, TIG Work
