HEAVY DUTY IMPACT AND CUT RESISTANT GLOVES

DESCRIPTION:

These gloves are built for durability, featuring Kevlar® stitching and thumb reinforcement for added strength. The sleek black leather hides grime, while a heat-resistant glide patch boosts comfort. With a full para-aramid lining rated ANSI A8 for cut protection and premium goatskin for abrasion resistance, they're tough, comfortable, and ready for heavy-duty tasks.

FEATURES:

Sewn with DuPont™ Kevlar® – Enhances strength, durability, and longevity in tough work environments.

Thumb Strap Reinforcement – Improves grip and resistance for high-wear areas.

Black Leather Construction – Hides dirt and grime, maintaining a professional look.

Glide Patch Technology – Reduces heat buildup, ensuring comfort during prolonged use.

A8 Cut Protection – Para-Aramid lining offers maximum protection against sharp objects.

Premium Goatskin Leather – Delivers outstanding abrasion resistance and flexibility.

Oil & Water Resistance – Treated in tanning process for deep protection against liquids and oils.

APPLICATIONS:

Rigging, Metal Stamping, Oil & Gas Drilling, Municipal Services, Construction, Steel Mills, Hydraulic Fracturing, Mining, Extraction & Refining, Pipeline Construction
