#### AVAILABLE SIZES

**TIG PRO KEVLAR®-SEWN TIG WELDING GLOVES - HIGH DEXTERITY & HEAT RESISTANCE FOR PRECISION WELDING**

## DESCRIPTION:

Premium top grain goat provides the best fit and dexterity necessary for TIG welding. Soft leather allows wire to pass freely over glove. 6" cuff protects hands and lower arms from burns

## FEATURES:

**Premium Top-Grain Goatskin Leather** – Offers exceptional dexterity and comfort for precise TIG welding.

**Kevlar® Thread Stitching** – Enhances seam durability and protects against sparks and heat exposure.

**Straight Thumb Design** – Improves grip and flexibility for delicate welding tasks.

**Soft Leather Construction** – Ensures maximum mobility, allowing wire to pass freely over the glove.

**6-Inch Gauntlet Cuff** – Provides extended wrist and forearm protection against burns.

**High Abrasion Resistance** – Shields hands from welding hazards, sharp edges, and sparks.

**Designed for Welding Professionals** – Ensures precision handling in high-heat environments.

## APPLICATIONS:

Welding, Steel Mills, Shipyards, Manufacturing, Automotive, Gas Welding, Torch Work
