AVAILABLE SIZES

Cut Resistant Goatskin Gloves - Water & Oil Resistant, Kevlar® Lined, Driver Style Comfort

FEATURES:

- **Water- & Oil-Resistant Goatskin Leather** – Repels fluids while maintaining flexibility and durability.
- **Kevlar® Aramid Fabric Lining** – Provides high-level cut protection throughout the glove interior.
- **Driver Style Design** – Combines ergonomic comfort with industrial-grade ruggedness.
- **Set-In Keystone Thumb** – Enhances dexterity and reduces hand fatigue during extended use.
- **Elasticized Back** – Ensures a snug, secure fit for better control and comfort.
- **Available in Multiple Cut Levels (A2–A9)** – Tailored to meet various safety requirements.
- **Optional Winter Version** – Insulated variant available for cold-weather environments.

INDUSTRIES:

- **Oil & Gas Sector** – Trusted for drilling, refining, and maintenance operations.
- **General Manufacturing** – Supports safe handling in production environments.
- **Appliance & Electronics** – Protects workers assembling sharp-edged components.
- **Steel & Metal Processing** – Shields hands during cutting, grinding, and shaping.
- **Construction & Infrastructure** – Reliable for framing, rigging, and site work.
- **Agriculture & Heavy Equipment** – Ideal for mechanical maintenance and fieldwork.

APPLICATIONS:

- **Oil & Gas Industry** – Ideal for handling tools and equipment in slick, hazardous conditions.
- **Manufacturing & Assembly** – Supports safe handling of sharp components and machinery.
- **Appliance Production** – Reliable protection during fabrication and installation.
- **Steel Plants & Metalwork** – Built for durability in abrasive and high-temperature zones.
- **Construction Sites** – Suitable for rigging, framing, and material handling.
- **Forklift & Farm Equipment Operation** – Enhances grip and safety during equipment use.
