#### AVAILABLE SIZES

## Heavy-Duty Cut, Impact & Abrasion Resistant Gloves with Armortex® Palm & Kevlar® Lining

### FEATURES:

- **Goat Grain Leather Palm** – Provides excellent dexterity and abrasion resistance for precision tasks.
- **Cow Split Leather Gauntlet** – Shields forearms from sparks, heat, and mechanical hazards.
- **Kevlar®/Glass Filament Lining** – Offers high-level cut protection and thermal resistance.
- **Set-In Keystone Thumb** – Enhances comfort and reduces hand fatigue during extended use.
- **Elasticized Back** – Ensures a snug, secure fit for better control and flexibility.
- **Multi-Level Cut Protection (A2–A9)** – Customizable safety for various industrial needs.
- **Optional Winter Version** – Insulated variant available for cold-weather environments.

### INDUSTRIES:

- **Welding & Metal Fabrication** – Trusted for heat resistance and cut protection.
- **Food Processing & Handling** – Meets safety needs in hygienic environments.
- **Automotive & Machinery** – Reliable for sharp, oily, and mechanical components.
- **Construction & Infrastructure** – Suitable for framing, rigging, and site work.
- **Oil & Gas Sector** – Performs well in slick, hazardous conditions.
- **Agriculture & Equipment Repair** – Ideal for fieldwork and mechanical servicing.

### APPLICATIONS:

- **Welding & Fabrication** – Ideal for handling hot metal, grinding, and torch work.
- **Food Handling** – Suitable for tasks requiring hygiene and cut protection.
- **Sheet Metal Work** – Protects against sharp edges and burrs.
- **Heavy Equipment Maintenance** – Durable for mechanical servicing and repairs.
- **Rigging & Assembly** – Supports high-dexterity operations in industrial setups.
- **Cold Weather Handling** – Winter version supports safe use in low temperatures.
