IMPACT & CUT RESISTANT MECHANICS STYLE OIL FIELD GLOVES

DESCRIPTION:

Natural Goatskin Leather Palm with EVA Gel Padding, Lined with composite Kevlar® aramid for cut protection level A6 and Puncture level 4 on Palm Side Only, Breathable spandex back of hand with TPR on knuckles and fingers provides impact protection level 2, composite cut resistant palm lined, Leather strap with secure Velcro cuff closure.

FEATURES:

- **Natural Goatskin Leather Palm** – Provides excellent grip, abrasion resistance, and tactile sensitivity.
- **EVA Gel Padding** – Absorbs shock and reduces hand fatigue during heavy-duty tasks.
- **Composite Kevlar® Aramid Lining** – Offers high-level cut and puncture resistance on the palm side.
- **TPR Protection on Knuckles & Fingers** – Shields against impact hazards with flexible coverage.
- **Breathable Spandex Back** – Enhances airflow and comfort during extended wear.
- **Secure Velcro Cuff Closure** – Ensures a snug fit and easy adjustment for active use.
- **Reinforced Palm & Thumb Design** – Strengthens high-wear zones for long-lasting durability.

APPLICATIONS:

Contractors, Mechanics, Equipment Operators, Electricians, Maintenance Workers, Oil & Gas Workers, Welders
