AVAILABLE SIZES

XDEX IMPACT RESISTANCE MECHANICS GLOVES

DESCRIPTION:

Premium Synthetic Leather Palm Offers durability, flexibility, and comfort for extended use. Reinforced PU Grip Patches Enhance grip and wear resistance in high-stress areas. TPR Impact Protection on fingers and backhand provide excellent protection against impacts. Breathable Back Material Keeps hands cool and reduces sweat buildup during heavy tasks. Secure Wrist Closure Adjustable wrist strap ensures a snug fit and prevents debris entry.

FEATURES:

- **Premium Synthetic Leather Palm** – Offers enhanced durability, flexibility, and comfort for extended use.
- **Reinforced PU Grip Patches** – Improve grip and abrasion resistance in high-stress zones.
- **TPR Impact Protection** – Shields fingers and backhand from knocks, drops, and blunt force.
- **Breathable Back Material** – Promotes airflow and reduces sweat buildup during heavy-duty work.
- **Secure Adjustable Wrist Closure** – Prevents debris entry and ensures a snug, personalized fit.
- **Ergonomic Construction** – Supports natural hand movement and reduces fatigue during repetitive tasks.
- **Lightweight & Versatile Design** – Suitable for both indoor and outdoor industrial environments.

APPLICATIONS:

Automotive, Construction, Equipment operation, General Purpose, Yard & Field Work, Machine operations, General Maintenance
