### AVAILABLE SIZES

**SHORT CUFF WELDING GLOVES - IMPACT 2, 3M C100 THINSULATE & GEL PADDING**

## DESCRIPTION:

Durable short cuff welding gloves with Impact 2, 3M C100 Thinsulate, and gel padding for superior safety and comfort.

## FEATURES:

- **Durable Goatskin Leather:** Provides abrasion resistance and flexibility for welding and industrial use.
- **Short Cuff Design:** Allows ease of movement while maintaining wrist protection.
- **Impact Level 2 Protection:** Reinforced padding shields knuckles and fingers against shocks and crush hazards.
- **3M™ C100 Thinsulate™ Insulation:** Delivers reliable warmth in cold environments without compromising dexterity.
- **Gel Padding Technology:** Absorbs vibration and impact, enhancing comfort during prolonged use.
- **Kevlar® Stitching:** Flame-resistant seams with maximum strength for welding and heavy-duty applications.
- **Multi-Hazard Protection:** Combines impact resistance, thermal insulation, and comfort for industrial safety.

## APPLICATIONS:

Welding & Fabrication Work, Construction & Industrial Labor, Heavy Equipment Handling & Maintenance, Metalworking & Grinding, Utilities & Infrastructure Maintenance, Rescue & Emergency Field Operations
