PREMIUM GOAT GRAIN WELDING GLOVE WITH KEVLAR CUT LEVEL A5 & THINSULATE

DESCRIPTION:

Goat grain welding glove with Kevlar cut A5, Thinsulate lining, cow split gauntlet & snug elasticized back fit.

FEATURES:

- **Premium Goat Grain Leather:** Strong, abrasion-resistant, and flexible for welding and industrial use.
- **Kevlar® Cut Protection (Level A5):** Provides advanced cut resistance for high-risk environments.
- **Thinsulate™ Lining:** Ensures warmth and comfort in cold or high-heat conditions.
- **Cow Split Leather Gauntlet Cuff:** Extends wrist and forearm protection against sparks, debris, and abrasion.
- **Snug Elasticized Back Fit:** Improves glove stability and comfort during extended wear.
- **Kevlar® Stitching:** Flame-resistant seams with maximum strength for welding and heavy-duty use.
- **Multi-Hazard Protection:** Combines cut resistance, thermal insulation, and abrasion defense in one glove.

APPLICATIONS:

Welding & Fabrication Work, Construction & Industrial Labor, Heavy Equipment Handling & Maintenance, Metalworking & Grinding, Mining & Metal Processing, Utilities & Outdoor Field Services
