SYNTHETIC LEATHER PALM SAFETY GLOVES FOAM-PADDED WORK GLOVES WITH REINFORCED THUMB

DESCRIPTION:

Palm synthetic leather with foam padding, back breathable spandex fabric, reinforced thumb and adjustable Velcro closure for secure fit.

FEATURES:

- Synthetic Leather Palm:** Durable and abrasion-resistant for reliable grip and handling.
- Foam Padding:** Provides cushioning and impact absorption for comfort during extended use.
- Breathable Spandex Back:** Ensures ventilation and flexibility, reducing hand fatigue.
- Reinforced Thumb:** Strengthens high-wear areas for added durability.
- Adjustable Velcro® Closure:** Secures snug fit and stability during active tasks.
- Lightweight Construction:** Balances protection with dexterity for versatile applications.
- Multi-Purpose Design:** Suitable for industrial, tactical, and recreational use.

APPLICATIONS:

General Industrial Work, Construction & Utility Tasks, Cycling & Outdoor Activities, Fitness & Gym Training, Material Handling & Warehousing, DIY & Home Projects
