### AVAILABLE SIZES

**PADDLED SYNTHETIC LEATHER WORK GLOVES BREATHABLE SPANDEX SAFETY GLOVES WITH QUICK-FIT CUFF**

## DESCRIPTION:

Padded synthetic leather palm for softness, toughness, and comfort. Spandex back ensures a perfect, breathable fit, with a quick-fit cuff for easy wear.

## FEATURES:

- Padded Synthetic Leather Palm** – Provides softness, toughness, and reliable comfort.
- Abrasion Resistance** – Durable palm construction for industrial and utility tasks.
- Breathable Spandex Back** – Ensures ventilation and flexibility, reducing hand fatigue.
- Quick-Fit Cuff** – Easy on/off design for fast wearability.
- Secure Fit** – Snug wrist design keeps glove stable during use.
- Lightweight Construction** – Balances comfort with durability for extended wear.
- Multi-Purpose Design** – Suitable for industrial, tactical, and recreational applications.

## APPLICATIONS:

Construction & Infrastructure, Oil & Gas / Utilities, Manufacturing & Engineering, Warehousing & Logistics, Sports & Fitness / Outdoor Activities, DIY & Home Improvement
