GOATSKIN LEATHER, REINFORCED STRAIGHT THUMB, ANSI A6 CUT, PARA-ARAMID LINING, EXTENDED COW SPLIT CUFF.

DESCRIPTION:

Palm and back goatskin leather, straight thumb with reinforcement, ANSI A6 cut resistance, para-aramid lining, extended cow split leather cuff.

FEATURES:

- Goatskin Leather Palm & Back** – Soft yet durable for precision welding and handling.
- Straight Thumb with Reinforcement** – Provides strength and flexibility for controlled movements.
- ANSI A6 Cut Resistance** – Certified high-level protection against sharp hazards.
- Para-Aramid Lining** – Exceptional heat and cut resistance for industrial safety.
- Extended Cow Split Leather Cuff** – Shields wrist and forearm from sparks and abrasion.
- Kevlar® Thread Stitching** – Heat-resistant seams for durability in welding environments.
- Ergonomic Comfort Fit** – Reduces fatigue while maintaining dexterity and grip.

APPLICATIONS:

TIG & MIG Welding Operations, Metal Fabrication & Assembly, Automotive & Mechanical Workshops, Construction & Industrial Safety Tasks, Maintenance & Repair Work, Heat & Flame Hazard Environments
